

Project Description Template

One-page description, extended version with risks and stakeholders, and a portfolio register

Project description (one page)

Project name	
Sponsor	
Project manager	
Date	
Purpose	Why this project exists: the problem or opportunity, in two sentences
Objectives	Two to four measurable outcomes, each with a number and a date
Scope	What is included and, explicitly, what is not
Deliverables	The tangible outputs, listed
Timeline	Start, key milestones, finish
Budget	Total, major categories, source of funds
Team and stakeholders	Who does the work, who decides, who is affected

Extended project description

Background	
Success criteria	How we will know it worked
Assumptions	
Constraints	Time, budget, regulation, dependencies
Risks	Top three with a mitigation each
Approach	Phases or method in brief
Reporting	To whom, how often
Approval	

Sponsor: _____ Date: _____

Project manager: _____ Date: _____
