

Project Scope Templates

Scope statement, in/out matrix, work breakdown structure, change request, change log and acceptance criteria

1. Project scope statement

Project	
Sponsor	
Version and date	
Project purpose	
Objectives	
Deliverables	Listed, with a one-line description each
In scope	
Out of scope	Be specific; name the things people will ask for
Assumptions	
Constraints	
Acceptance	Who accepts, against what criteria

Sponsor: _____ Date: _____

Project manager: _____ Date: _____

2. In-scope and out-of-scope matrix

Area	In scope	Out of scope	Notes or conditions
Functions or features			
Locations or sites			
Users or departments			
Data			
Integrations			
Training and documentation			
Support after launch			

3. Work breakdown structure

WBS code	Deliverable or work package	Description	Owner	Effort estimate	Acceptance criterion
1					
1.1					
1.2					
2					
2.1					
2.2					
3					
3.1					

4. Scope change request

Change request no.	
Requested by	
Date	
Description of change	
Reason	
Impact on deliverables	
Impact on schedule	
Impact on cost	
Impact on risk and quality	
Alternatives considered	
Recommendation	
Decision	Approved / Rejected / Deferred

Requester: _____ Date: _____

Project manager: _____ Date: _____

Sponsor: _____ Date: _____

5. Scope change log

No.	Change	Requested	Schedule impact	Cost impact	Decision	Decided on	Decided by

6. Acceptance criteria

Deliverable	Criterion	How verified	Verified by	Date	Pass / Fail
