

Project Status Report Templates

Weekly one-pager, executive summary, RAG dashboard, milestone report and portfolio roll-up

1. Weekly status report (one page)

Project	
Week ending	
Project manager	
Overall status	Green / Amber / Red, and why in one line
Progress this week	Three to five bullets, outcomes not activity
Planned next week	
Milestones	Next three with dates and status
Risks and issues	Top three with owner and action
Decisions needed	From whom, by when
Budget	Spent to date / forecast at completion / variance

2. Executive summary

Project	
Period	
Headline	One sentence a CEO would repeat
Status	Schedule / Budget / Scope / Risk, each G/A/R
Key achievements	
Key problems	
Asks of leadership	
Outlook	Will we hit the date and the budget? Yes / Likely / At risk / No

3. RAG dashboard

Dimension	Status (G/A/R)	Measure	Trend	Comment
Schedule		Days ahead / behind baseline		
Budget		Forecast variance %		
Scope		Open change requests		
Risk		Red risks open		
Quality		Defects open / acceptance failures		
Resources		Capacity vs plan		

4. Milestone report

Milestone	Baseline date	Forecast date	Variance (days)	Status	Comment

5. Portfolio roll-up

Project	Manager	Overall	Schedule	Budget	Scope	Risk	Next milestone	Decision needed
