

Remote Work Agreement

Twelve-clause individual agreement, equipment schedule, workspace self-certification and agreement register

Remote work agreement

Employer	
Employee	
Role	
Manager	
Effective date	
Arrangement	Fully remote / hybrid [N] days remote / temporary to [date]

1. Work location

The employee's primary remote work location is [address]. Work from any other location for more than [5] consecutive days, and any change of primary location or state, requires written approval in advance because of tax, insurance and employment law consequences.

2. Schedule and availability

The employee's working hours are [hours], including core hours of [hours] during which they are available by [channels] within [response time]. Changes are agreed with the manager in writing.

3. Time recording

[Non-exempt: the employee records all hours worked in [system], including work outside scheduled hours, and takes meal and rest breaks as the policy and state law require. Overtime requires prior approval but is always paid.]
[Exempt: the employee is expected to work the hours needed to meet the role's objectives.]

4. Equipment

The company provides the equipment in the schedule, which remains company property, is used for company business, and is returned within [10] days of the end of the arrangement or employment. The employee provides [internet connection, furniture, workspace].

5. Expenses

The company pays [a monthly stipend of \$X / reimbursement of the business share of internet and phone on claim / nothing beyond equipment, where lawful]. Other expenses follow the expense policy. Where state law requires reimbursement of necessary expenses, the law applies.

6. Workspace and safety

The employee maintains a safe, private workspace and completes the self-certification attached. Work-related injuries at the remote location during working hours are reported as at any workplace. The company may ask to inspect the workspace with notice, by video or in person.

7. Security and confidentiality

The employee follows the information security policy: company devices only for company data, secure network, locked screen, no public printing, confidential calls in private. Lost or stolen devices are reported within [24] hours.

8. Performance and communication

Performance is assessed on the same outcomes as office-based colleagues. The employee attends [meetings] and visits [office] [frequency], with travel treated as [business travel / commuting].

9. Monitoring

Company systems and devices are subject to the electronic monitoring policy, which the employee has received. [State notice where required.] Personal devices and accounts are not monitored.

10. Benefits and terms

All other terms of employment are unchanged. [Pay adjustment by location, if any.]

11. Review and termination of the arrangement

The arrangement is reviewed [every 6 months]. Either party may end it with [30] days' written notice; the company may end it sooner for business reasons, performance or breach of this agreement, with [notice]. Ending the arrangement does not end employment.

12. Entire agreement

This agreement, the remote work policy and the policies it references are the whole arrangement. Changes are in writing.
