

Roles and Responsibilities Templates

RACI matrix, role charter, team roles register and a gap and overlap check

1. Responsibility matrix (RACI)

Team or project					
Date					
Owner					
Responsibility or decision	Role 1	Role 2	Role 3	Role 4	Role 5

R = responsible (does the work), A = accountable (one per row, answers for it), C = consulted (two-way, before), I = informed (one-way, after).

2. Role charter

Role	
Held by	
Reports to	
Purpose	Why this role exists, in one sentence
Key responsibilities	Five to eight, as outcomes
Decisions this role makes alone	
Decisions this role recommends	
Measures of success	
Works most closely with	
Not responsible for	Explicit exclusions where confusion is likely
Review date	

Role holder: _____ Date: _____

Manager: _____ Date: _____

3. Team roles register

Role	Held by	Purpose	Top three responsibilities	Backup	Charter date

4. Gap and overlap check

Responsibility	Accountable (A)	Responsible (R)	Gap? (no A)	Overlap? (more than one A)	Resolution
